PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

The board of directors (the “**Board**”) of Wenzhou Kangning Hospital Co., Ltd. (the “**Company**”) has proposed certain amendments to the current Articles of Association of the Company (the “**Articles of Association**”).

The Special Provisions of the State Council on the Overseas Offering and Listing of Shares by Joint Stock Limited Companies promulgated by the State Council of the PRC on August 4, 1994 and the Notice on Implementation of the Mandatory Provisions for the Articles of Association of Companies Listed Overseas were abolished on March 31, 2023; the Trial Measures for the Administration of Overseas Issuance and Listing of Securities by Domestic Enterprises and relevant guidelines, which became effective on March 31, 2023, stipulate that domestic enterprises directly listed overseas shall formulate their articles of association with reference to the Guidelines for Articles of Association of Listed Companies and other relevant provisions of the China Securities Regulatory Commission on corporate governance; the newly amended Company Law of the PRC became effective on July 1, 2024; the Guidelines for the Articles of Association of Listed Companies promulgated by the China Securities Regulatory Commission came into effect on December 15, 2023; and The Stock Exchange of Hong Kong Limited has recently made certain amendments to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

In view of this, the Company intends to amend its current Articles of Association (the “**proposed amendments**”) according to the abovementioned applicable PRC laws and regulations and the Listing Rules and taking into account the actual situation of the Company, so as to adapt the Articles of Association to the provisions and rules and better meet the practical needs of corporate governance. The proposed amendments will neither prejudice the protection of the shareholders nor cause material impacts on the protective measures of the shareholders. In particular, according to the abovementioned applicable PRC laws and regulations, domestic shares and H shares shall be regarded as the same class of ordinary shares and holders of domestic shares and H shares shall no longer be deemed as different classes of shareholders, and the substantive rights attached to the two classes of shares (including voting rights, dividends and asset distribution in case of liquidation) shall be identical. Therefore, the removal of the class meeting requirement from the Articles of Association will not undermine the protection of the shareholders. In addition, given that there are sufficient dispute resolution channels (such as court proceedings in Chinese Mainland and Hong Kong) to enable the shareholders to exercise their rights under the Articles of Association, the removal of the arbitration provision from the Articles of Association and the abolition of arbitration as the sole means of dispute resolution will not affect the protection of the shareholders. For details of the comparison table of the proposed amendments to the Articles of Association, please refer to the appendix to this announcement.

The amended Articles of Association will become effective upon consideration and approval at the general meeting and the class meetings of the Company, prior to which the Company applies the current Articles of Association in force.

The Company will convene the general meeting, the H shareholders' class meeting and the domestic shareholders' class meeting to approve the proposed amendments to the Articles of Association and authorize any one director to modify the wordings of the proposed amendments as he/she thinks appropriate (such modification will not be required to be approved by the shareholders) and execute all such documents and/or do all such acts as the director may, in his/her absolute discretion, deem necessary or expedient and in the interest of the Company to deal with related matters arising from the proposed amendments. A circular and notice containing, among others, details of the proposed amendments to the Articles of Association is expected to be sent to the shareholders in the manner as they elect to receive corporate communications as soon as reasonably practicable.
